The altar of Burnt Offering

1 They built the altar of burnt offering of acacia
wood, three cubits high; it was square, five cubits
long and five cubits wide. 2 They made a horn at
each of the four corners, so that the horns and the
altar were of one piece, and they overlaid the altar
with bronze. 3 They made all its utensils of bronze
– its pots, shovels, sprinkling bowls, meat forks
and firepans. 4 They made a grating for the altar,
a bronze network, to be under its ledge, halfway
up the altar. 5 They cast bronze rings to hold the
poles for the four corners of the bronze grating. 6 They
made the poles of acacia wood and overlaid
them with bronze. 7 They inserted the poles
into the rings so they would on the sides
of the altar for carrying it. They made
it hollow, out of boards.

8 The bronze washbasin and its bronze pedestal were cast from the solid bronze mirrors donated by the women who assembled at the entrance to the Tabernacle.
9 Then he constructed the courtyard. The South wall was 50 metres long; it consisted of curtains woven from fine-twined linen thread.
10 There were twenty post to ~~hotp~~ hold the curtians, with bases of bronze and with silver hooks and rods. 11 The North wall was also 50 metres long, with twenty bronze posts and bases and with silver hooks and rods.

12 The west end was fifty cubits wide and had
curtains, with ten posts and ten bases, with silver
hooks and bands on the posts. 13 The east end, toward
the sunrise, was also fifty cubits wide. 14 Curtains
fifteen cubits long were on one side of the entrance,
with three posts and three bases, 15 and curtains
fifteen cubits long were on the other side of the
entrance to the courtyard, with three posts and
three bases. 16 All the curtains around the courtyard
were of finely twisted linen. 17 The bases for
the posts were bronze. The hooks and bands on
the posts were silver, and their tops were
overlaid with silver; so all the posts of the
courtyard had silver bands.

18 The curtain for the entrance to the courtyard
was made of blue, purple and scarlet yarn and
finely twisted linen – the work of an embroiderer.
It was twenty cubits long and, like the curtains
of the courtyard, five cubits high, 19 with four

posts and four bronze bases. Their hooks and bands were silver, and their tops were overlaid with silver. 20 All the tent pegs of the tabernacle and of the surrounding courtyard were bronze.

21 These are the amounts of the materials used for the tabernacle, the tabernacle of the Testimony, which were recorded at Moses' command by the Levites under the direction of Ithamar son of Aaron, the priest. 22 (Bezalel son of Uri, the son of Hur, of the tribe of Judah, made everything the LORD commanded Moses; 23 with him was Oholiab son of Ahisamach, of the tribe of Dan — a craftsman and designer, and an embroiderer in blue, purple and scarlet yarn and fine linen.)

24 The total amount of the gold from the wave offering used for all the work on the sanctuary was 29 talents and 730 shekels, according to the sanctuary shekel.

25 The silver obtained from those of the

community who were counted in the censes
was 100 talents and 730 shekels, according
to the sanctuary shekel, — 26 one beka per
person, that is, half a shekel, according to
the sanctuary shekel; from everyone who crossed
over to those counted, twenty years old or more,
a total of 603,550 men. 27 The 100 talents of
silver were used to cast the bases for the
sanctuary and for the curtain — 100 bases
from the 100 talents, one talent for each base.
28 They used the 1,775 shekels to make to make
the hooks for the posts, to overlay the tops
of the posts, and to make their bands.
29 The bronze from the wave offering was
70 talents and 2,400 shekels. 30 They used it
to make the bases for the entrance to the
Tent of Meeting, the bronze altar with its
bronze grating and all its utensils, 31 the bases
for the surrounding courtyard and those for
its entrance and all the tent pegs for the

tabernacle and those for the surrounding courtyard.

Making garments for the priests.

1 With the blue, purple and red wool they made
the magnificent garments which the priests were
to wear when they served in the Holy Place They
made the priestly garments for Aaron, as the
Lord had commanded Moses

2 They made the ephod of fine linen; blue,
purple and red wool; and gold thread. 3 They
hammered out sheets of gold and cut them
into thin strips to be worked into the fine
linen and into blue, purple and red wool.
4 They made two shoulder straps for the ephod
and attached them to its sides, so that it
could be fastened. 5 The finely woven belt, made
of the same materials, was attached to the
ephod so as to form one piece with it, as the
Lord had commanded Moses. 6 They prepared
the carnelians and mounted them in gold settings;
they were skilfully engraved with the names of
the twelve sons of Jacob. 7 They put them on

He shoulder straps of the ephod to represent the twelve tribes of Israel, just as the Lord had commanded Moses.

Making the Breastpiece

8 They made the breastpiece of the same materials as the ephod and with similar embroidery. 9 It was square and folded double, 22 centimetres long and 22 centimetres wide. 10 They mounted four rows of precious stones on it; in the first row they mounted a ruby, a topaz, and a garnet; 11 in the second row, an emerald, a sapphire and a diamond; 12 in the third row, a turquoise, an agate, and an amethyst, 13 and in the fourth row, a beryl, a carnelian, and a jasper. These were mounted in gold settings. 14 Each of the twelve stones had engraved on it the name of one of the sons of Jacob, in order to represent the twelve tribes of Israel. 15 For the breastpiece they made chains of pure gold, twisted like cords. 16 They made two gold settings and two gold rings and attached the

two rings to the upper corners of the breastpiece.
17 They fastened the two gold cords to the two
18 rings and fastened the other two ends of the
cords to the two settings and in this way
attached them in front to the shoulder straps of
the ephod. 19 They made two rings of gold and
attached them to the lower corners of the
breastpiece, on the inside edge next to the
ephod. 20 They made two more gold rings and
attached them to the lower part of the front
of the two shoulder straps of the ephod, near the
seam and above the finely woven belt. 21 Just as
the Lord had commanded Moses, they tied the
rings of the breastpiece to the rings of the
ephod with a blue cord, so that the
breastpiece rested above the belt and did
not come loose.

22 Making the other Priestly Garments.

The robe that goes over the ephod was
23, made entirely of blue wool. The hole for

The head was reinforced with a woven
24-26
binding to keep it from tearing. All round
its lower hem they put pomegranates of
fine linen and of blue, purple, and red
wool, alternating with bells of pure gold,
just as the Lord had commanded Moses.
27
They made the shirts for Aaron and his sons,
28
and the turban, the caps, the linen shorts,
and the sash of fine linen and of blue,
purple, and red wool, decorated with
embroidery, and as the Lord had commanded
30
Moses. They made the ornament the sacred
sign of dedication out of pure gold and they
engraved on it "Dedicated to the Lord"
31.
They tied it to the front of the turban with
a blue cord, just as the Lord had commanded
Moses

14 you shall bring his sons also and put tunics on them,
15 and anoint them, as you anointed their father, that they may serve me as priests: and their anointing shall admit them to a perpetual priesthood throughout all generations to come.
16. Moses did everything just as the Lord had commanded him.
17. In the first month in the second year, on the first day of the month, the tabernacle was set up.
18 Moses set up the tabernacle, he laid its bases and set up its frames, and put in its poles, and raised up its pillars;
19. and he spread the tent over the tabernacle, and put the covering of the tent over it; as the Lord had commanded Moses.

V.20. He took the Testimony and placed it in the ark, attached the poles to the ark and put the Atonement cover over it.
V.21. Then he brought the ark into the tabernacle and hung the shielding curtain and shielded the ark of the Testimony, as the Lord commanded him.
V.22. Moses placed the table into the Tent of Meeting on the north side of the tabernacle outside the curtain.
V23 and set out the bread on it before the Lord, as the Lord commanded him.
V.24 He placed the lamp stand in the Tent of Meeting opposite the table on the south side of the Tabernacle.
V25 and set up the lamps before the Lord, as the Lord commanded him.

V.26 Moses placed the gold altar in the Tent of Meeting in front of the curtain.
V.27 and burned fragrant incense on it as the Lord commanded him.
V28. Then he put up the curtain at the entrance of the tabernacle.
V29 He set the altar of burnt offering near the entrance to the tabernacle, the Tent of Meeting and offered on it burnt offering and grain offerings, as the Lord commanded him.
V30 He placed the basin between the Tent ~~and~~ of Meeting and the altar and put water in it for washing.
V31 and Moses and Aaron and his sons used it to wash their hands and feet.
V32 They washed whenever they

entered the Tent of meeting or approached the altar, as the Lord commanded Moses.

V33 Then Moses set up the courtyard around the tabernacle and altar and put up the curtain at the entrance to the courtyard. And so Moses finished the work.

The Glory of the Lord.

V.34. Then the cloud covered the Tent of meeting, and the glory of the Lord filled the tabernacle.

V. 35 Moses could not enter the Tent of meeting because the cloud had settled upon it, and the glory of the Lord filled the tabernacle.

V 36 In all the travels of the Israelites, whenever the cloud lifted from above the tabernacle, they would set out;

V 37 but if the cloud did not lift, they did not set out until the day it lifted.

V38 So the cloud of the Lord was over the tabernacle by day, and fire was in the cloud by night, in the sight of all the house of Israel during all their travels.
