Mrs Regina Siatwinda-Oliver is a mission partner, serving as the Health Secretary for the United Church of Zambia (UCZ). This involves supporting seven clinics and two hospitals, spread far and wide. The Health Secretary is a link between the UCZ, its clinics and hospitals and the Ministry of Health. Gina and her husband Malcolm, who is an accompanying volunteer, have two children, Luyando and Chipu.

Please pray for:

- The United Church of Zambia in striving to support its schools, clinics and rural hospitals and other ways of participating in the mission of God.
- Health workers to be kept safe whilst caring for those who are highly infectious or critically ill.
- Resources to engage in improving people's health and earlier diagnosis of disease.
- Availability of necessary equipment, so that courage can replace fear.

We know that all things work together for good for those who love God, who are called according to his purpose.
